

GIFTS-TEA....

The most original gift for San Jose in Caroli Health Club

Surprise who you love more with a special body treatment based on green tea, a plant known for its high antioxidant properties for their content in polyphenols, flavonoids, vitamins C and E.

The Green Body You includes:

- **Natural Body Scrub Green tea:** Removes dead skin cells and helps the skin absorb the products to be applied during the treatment, stimulating further cutaneous microcirculation. This process prepares the skin for absorption of the active ingredients of green tea.
- **Wrap lipolytic alginates and green tea:** Wrap that helps dissolve fat nodules located and encourage circulation to facilitate the process of elimination in cellulite treatments.
- **Hot tub:** green tea bath that apart from improving and activating the blood and lymphatic circulation, helps eliminate the fat nodules that are created with cellulite.
- **Massage with green tea cream:** It's a relaxing body massage. It is done with a cream-based lipolytic fresh green tea leaves.

- **To end with a relaxing journey SPA:** sauna, Turkish bath, shower and relaxation room with a detoxifying green tea to maximize the benefits of treatment.
